APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source, and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application free from deleterious matter, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. The state reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3 cubic feet per second.

Actual construction work shall begin on or before October 12, 1926

Proof of commencement of work shall be filed before November 12, 1926

Work must be prosecuted with reasonable diligence and be completed on or before October 12, 1928

Proof of completion of work shall be filed before November 12, 1928

Application of water to beneficial use shall be made on or before

October 12, 1929. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 12, 1929

~~Proof of later filed March 28, 1929~~

WITNESS MY HAND AND SEAL this 12th day

Cancelled OCT 20 1943 because of failure

of applicant to comply with the provisions of permit.

of August, 1926.
